

StayGo USB-C Hub

USB-C Hub with 1-meter desktop cable + stowable travel cable

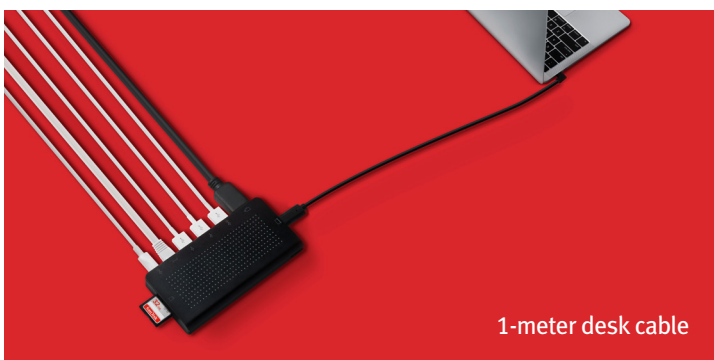

StayGo recreates the ports you lost when you upgraded your MacBook.

StayGo is a portable hub with all your favorite Mac legacy ports and connections. Charge your iPhone, download photos from an SD card, connect to an external monitor, and more.

This handy hub's 1-meter desktop cable helps keep wires out of view for a clean workspace. Working remotely? Switch to the StayGo compact travel cord, which is conveniently stored inside the all-metal hub. Now, wherever work takes you, you can Stay, or Go with ease.

Key facts:

- 1-meter cable keeps connections out of sight, creating a neat and tidy workspace- additional compact travel cord conveniently stores directly inside StayGo
- Charges MacBook or iPad Pro via USB-C pass-through power port
- Available ports: 3 USB-A, 4K HDMI, Ethernet, USB-C, SD, Micro-SD
- Compatible with MacBook/MacBook Air/MacBook Pro (with USB-C), iPad Pro (11" and 12.9" 3rd gen) and most other USB-C notebooks and devices
